

Orchestra Northern Arizona

Flagstaff's Community Orchestra

who
we
are

Orchestra Northern Arizona gives free concerts for everyone in our Flagstaff community in a family-friendly and informal atmosphere. We give five concerts per season, between the months of October and June.

We also proud to give all musicians, regardless of background or experience, a place to learn and perform symphonic music, the only opportunity of its kind in our community.

We are more than an orchestra. We are a community engaged in making Flagstaff a better place to live through a strong and vibrant arts scene.
